

Healthcare

Deeley Group is a leading Midlands developer in the care home sector.

We understand the specific requirements of the operators and their residents, delivering schemes that create lasting value for all stakeholders. As a family business; people and the community are at the heart of everything we do.

Typical sites include

- Part of a mixed-use scheme
- Linked to Medical Facilities
- City Centre living
- 1 - 6 acres
- Wider Midlands

WCS Woodside Care Home, Warwick
72-bed specialist dementia care home
Constrained residential site
£7 million

Queensway Court, Leamington Spa
179-bed independent living with affordable rent
Part of a wider mixed use development led by Deeley Group
£22 million

Kingsley Care Home, Brackley
66-bed luxury care home
5 metre high retaining wall constructed
£6 million

Bond Street, Coventry
45-bed elderly care home
Tight city centre location
£7 million

Why work with Deeley?

- Quick decision making, approval process and response times
- Good financial position with most transactions being undertaken from our own funding, but with established access to funding for large projects if required
- A great team with significant expertise and experience across the care retirement and care sector
- Retention of consultants where they have introduced an opportunity and introductory fees paid.
