

## COMPANY QUALITY POLICY

**The policy of Deeley Construction is to provide excellent customer service through the provision of building services to the public sector and commercial organisations including design & build, construction, refurbishment and fitting out.**

The company is committed to compliance with applicable requirements for its products, whether they are customer stated or legislative requirements.

We operate systems of work that ensure a prompt response to all situations.

We train all our staff to provide a high level of operational competence.

We operate systems that meet the requirements of ISO:9001.

All staff are aware of the processes operated within the company, and are aware of their responsibilities to follow defined procedures and to report any deviation or anomalies.

Staff are encouraged to provide input to the development and improvement of systems.

The Management of the company establish business objectives which support the implementation of this policy. These objectives are regularly reviewed and revised as necessary with the aim of continual improvement
