

Health and Safety Statement of Intent

Health and Safety ay Work Act 1974

This is the Health and Safety Policy Statement of Deeley Construction Limited

As Managing Director I commit the company to the highest standards of Health and Safety as far as is reasonably practicable, we will comply with all Statutory on Health and Safety.

This company will provide Safe and Healthy Working Conditions for our employees and of the sub-contractor employees working under our control and will endeavour to ensure that the conduct of their work does not endanger employees of others or the public.

Sufficient time and resource allowed for health and safety and the company will:

- Any designer appointed by Deeley Construction, undertakes the role of Principal Designer on projects provides suitable and sufficient advice and assistance to the client and Deeley Construction on undertaking the measures they need to take to comply with CDM 2015.
- The designer will not commence work on any project until the client is aware of his duties. The designer will so far as is reasonably practicable design out all possible risks and to take into account the Workplace (health and safety and welfare) regulations 1992
- Ensure adequate Risk Assessments are completed and appropriate control measures are in place to control risks from our work activities.
- Consult with our employees on all matters affecting their health and safety.
- Provide and maintain safe plant and storage of equipment.
- Ensure safe handling and use of all substances.
- Provide adequate information, training and supervision for employees to enable appropriate standards of competence.
- Ensure all employees are competent to carry out their tasks, and are adequately trained.
- Aim to pre vent accidents and cases of work related ill health.
- Take all reasonable practicable measures to eliminate, reduce, isolate or control risks to the health and safety of its employees and sub-contractors working on our sites.
- Ensure that deliberate breach of Health and safety rules and procedures lead to disciplinary action.
- That provision made available for the maintenance of workplaces and the working environment for employees to ensure they are safe, without risks to health and adequate facilities are available for their welfare.
- Review and revise this policy as required or at interval not exceeding 12 months.
