

Land required

Deeley Properties is an award winning developer with an in-house construction division, based in Coventry and operating across the Midlands.

Why work with Deeley?

- The full end to end capability of the team to secure land and design and build a project
- We can develop a site out for any use of mix of uses including retail (inc. roadside), industrial, commercial and residential
- Quick decision making, approval process and response times
- Good financial position with most transactions being undertaken from our own funding, but with established access to funding for larger projects
- A great team with wonderful expertise and experience in all of the development activities we undertake
- An established company with a track record of delivering projects over 80 years

Site requirements

- Sites of typically 1 - 10 acres for roadside, commercial and local centres
- Existing commercial properties for redevelopment or refurbishment
- Greenfield and Brownfield sites, including remediated and un-remediated
- Working with existing landowners to maximise development potential and value
